

DIE #216

PRINTABLE AREA:

Maintain 0.125" margin from dieline for live copy and graphics.
Colors (Pantone or CMYK) and patterns may bleed to the edge of tag.
Bleed of 0.125" must be provided for any color or pattern that extends to the edge of tag.

If you require standing feet on your divider then please allow 2" from the bottom of the divider.

Before Creating Artwork for die, please contact the Sales Representative for further details.
